**Grand Proportions**

It's not often you find a wonderful family home of grand proportions with a quality renovation that offers style and panache.

You will be impressed by this five bedroom family home that offers stylish formal and informal living areas complimented by a designer kitchen and 3.5 bathrooms with such high-end fittings.

The kitchen is straight out of a "Home Beautiful" magazine with direct viewing over the sparkling in ground pool, private yard and gardens - a real bonus for those with small children.

Enjoy three large living areas including formal lounge/dining, family room and rumpus.
